

WIITCh	ACADEMIC YEAR 2017/2018										ICT/ERASMUS	
	MONDAY		TUESDAY		WEDNESDAY		THURSDAY		FRIDAY			
07.30-08.15			Biochemical Reactors Engineering ROOM 134									
08.15-09.00												
09.15-10.00	Chemical Technology II ROOM 402		Biochemical Reactors Engineering - project ROOM 303A	Biofuels and bioresources ROOM 636 LAB 2ND PART OF SEM	Functional nanomaterials ROOM 532							
10.00-10.45											New generation of composite materials ROOM 532 1ST PART OF SEMESTER	Heterogenous catalysts SEMINARY ROOM 532 2ND PART OF SEM
11.00-11.45	TECHNOLOGY OF NOWEL POLYMERIC MATERIALS 1ST PART OF SEM. ROOM 532	ENGINEERING INFORMATION AND DATA ANALYSIS 2nd PART OF SEMESTER ROOM 303A	Chemical Technology II ROOM 303 A		Polymers in medicine and pharmacy ROOM 532		Selected subjects in Physical Chemistry ROOM 532				Heterogenous catalysts ROOM 532 2ND PART OF SEMESTER	
11.45-12.30												
12.45-13.30	Technology of monoterpenoid fragrances ROOM 0/19		Innovative and cleaner inorganic technologies ROOM 430 1ST PART OF SEMESTER			TECHNOLOGY OF NOWEL POLYMERIC MATERIALS 2ND PART OF SEM. ROOM 541B LAB						
13.30-14.15	Polish and european legislation in environmental protection ROOM 0/19								Business strategies for scientists ROOM 607			
14.30-15.15										Technology of glass ROOM 532		
15.15-16.00	Basic of applied photochemistry ROOM 532									Innovative and cleaner inorganic technologies ROOM 532		
16.15-17.00		Biofuels and bioresources ROOM 532 2ND PART OF SEM.										
17.00-17.45												
18.00-18.45	Molecular modeling in drug design ROOM 532										Polymers in medicine and pharmacy (4 X 4h) LAB ROOM 231	
18.45-19.30												
19.45-20.30												
20.30-21.15												

First part of semester - from 26th February 2018 to 20 April 2018

Second part of semester - from 23rd April 2018 to 24th June 2018
