

Monday, February 19 – University of Lille

- **9:00 – 10:00** *Welcome by Cracow University of Technology*
CUT Prorector prof. Dr. Dariusz Bogdał
Faculty Prodean Prof. Dr. Katarzyna Matras-Postołek
Hear of International Relation Office Katarzyna Baron-Lisiakiewicz
CUT Bioref Coordinator Prof. Dr. Izabela Czekaj
- **10:00 – 12:00** *Materials for Catalysis: Synthesis*
Dr. Sebastien Royer
- **13:00 – 15:00** *Materials for Catalysis: Characterizations*
Dr. Jean-Philippe Dacquin
- **15:00 – 17:00** *Shaping of Catalytic Materials*
Dr. Jeremy Dhainaut

Tuesday, February 20 Cracow University of Technology/University of Bari Aldo Moro

- **9:00 – 9:30** *Biomass in the synthesis of porous polymer materials*
Prof. Dr Aleksander Prociak
- **9:30 – 10:00** *Biopolyols based on renewable raw materials*
Prof. Dr Maria Kurańska
- **10:00 – 10:30** *Modern drug synthesis*
Dr. Jolanta Jaśkowska, Anna Drabczyk
- **10:30 – 11:00** *Modern drugs design*
Dr. Damian Kułaga
- **11:00 – 12:00** *Merging the Green(Blue)-H₂ production with Carbon Recycling for stepping towards the Carbon Cyclic Economy*
Prof. Dr Michele Aresta
- **13:00 – 15:00** *Green and Sustainable Synthesis of Catalysts*
Prof. Dr. Dibenedetto Angela
- **15:00 – 17:00** *Preparation of Biocatalysts*
Prof. Dr. Gennaro Agrimi

Thursday, February 22 – Cracow University of Technology

- **9:00 – 10:00** *Modern modeling of materials for catalysis*
Dr. Izabela Kurzydym
- **10:00 - 11:00** *Scientific Poster Preparation I*
- **11:00 - 12:00** *Walk around CUT campus and introduction to its history*
- **13:00-14:00** *Open questions, information about student life at CUT/Poland*
- **14:00-16:00** *Scientific Poster Preparation II*

Friday, February 23 – Cracow University of Technology

- **9:00 – 10:15** Scientific Poster Presentation
- **10:15-10:30** Ending Conclusions of Winter School
